1) More than 300 Donkeys Vaccinated:

It is important that donkey and mules must be vaccinated against a variety of life threatening and performance limiting diseases including Equine influenza, Tetanus and Rotavirus. The vaccine is safe, easily administered and 100% effective in preventing what is a serious and often life threatening condition.

Dehachon Donkeys as a source of

SSM has been undertaking many preventive measures including vaccination camps, disinfectant treatment and such for the last 17 years. Such campus of vaccination and disinfectant treatments have been arranged at

SAgroli, Hipparga, SAwali, Khatgaon, Wannali and Swali. More than 300 donkeys have been vaccinated under able guidance of Dr. Bhushan Sadar and Give stock Supervisor Dhondiba Gaikwad. SSM is association with Brooke Hospital for Animals and Blue Cross of Hyderabad has been playing their key role in this area.

2) VANMOHASTAV – The planting Festival:

Three days planting festival has been observed here at various locations in and around Sagroli. Students and NCC Cadets from various educational

units of SSM volunteered their services to make this people's movement a great success. More than 1500 saplings have been planted at the picturesque foothill of Balabhat and in Shimpala lake. Every year vanmohatsav is observed from 1 to 7 July across India since 1950. During a daylong visit to Sagroli, Nanded District Collector Shri Arun Dongare marked his presence in the festival by planting a sapling of Neem in Shimpala lake.

3) A pleasant Look at Mah-Telangana Border:

Karla, a village near Sagroli does not bear any identity except that a check-post located here on the border Maharashtra-Telangana State. A number of vehicles stop here for paying taxes or security checking. The entry point leave the first impression on the tourist and customers coming to Maharashtra. But such remote places are given least importance and present a very Shabby picture.

of the very beautiful Shiv Chaurmahalaji De per changing scenario. No dearth of funds felt as many extended helping hands. It is planned to develop a public park there. Nanded District Collector Shri Arun Dongare pad visit to have a view to beautification task with tother key

officials, he planted a sapling.

On the way back, Shri Arun Dongare spend some time in Sainiki Vidyalaya with students. He also did formal inauguration of KVK Sheadenet setup under National Horticulture Mission.

4) District Collector Inaugurates Shade net of Krishi Vigyan Kendra:

A shadenet erected under National Horticulture Mission in KVK Campus was formally inaugurated by Nanded District collector Shri Arun Dongare here at Sagroli. The key objective is to develop horticulture to the maximum potential and provide employment opportunities to rural youths. It would also serve as stock and supply of vegetable saplings to needy farmers with improved nutrition.

5) SSM honored with Advance Level Guide Star India Gold Certification:

Guide Star India is India's largest and most reliable online information repository with 8300 NGOs. It efforts to enhance the visibility and credibility of NGOs in India.

In an e-mail recently sent to SSM Chairman Shri Pramodji Deshmukh, Gold Star India has informed and confirmed about Guide Start

India Gold Transparency Certification to SSM. It is an indication of high level of accountability and good governance procedure adopted by SSM. Other indications are transparent financial transactions, tax returns filed within due date, audited annual accounts and flawless auditors report submitted to tax authorities.
